**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose Sonic years ago over other, better known and bigger providers. Sonic offered not only much more reasonable prices, and additionally have model customer service with prompt and easy access to real and knowledgeable staff.

The latter is especially important for seniors like ourselves who did not grow up with technology as it exists today. We sometimes need considerable help and guidance, which Sonic provides.

DO NOT cut us off from this. We need more competition, not less!
